The use of the Trading App and/or any material downloaded or otherwise obtained by the use of the Trading App is done at your own discretion and risk.

10 API TRADING

Application Programming Interface. Where we agree to provide you with direct access to LMAX Exchange or any other Trading Venue via our Application Programming Interface, the terms upon which we agree to make that service available will be set out in our API Agreement.

11 AVAILABLE TO TRADE BALANCE

11.1. **Base Currency.** Your Available to Trade Balance will be displayed in your Base Currency. All payments due to us will be notified to you in your Base Currency. If you make a payment in a different currency to that of your Base Currency it shall be converted to your Base Currency by our third-party payment provider at the time the payment is received.

11.2. Where you open a trade in an Instrument that is not in your Base Currency, we shall during Trading Hours notionally convert:

- (a) the Margin Required;
- (b) the open profit/loss;
- (c) any realised profit/loss for the period before it is converted back to your Base Currency; and
- (d) any charges including commission and financing adjustments

for that trade to your Base Currency using our prevailing exchange rate for that purpose. Your Available to Trade Balance and its components will therefore be valued in your Base Currency at all times during Trading Hours. Your trade will not actually be converted into your Base Currency until after the trade is closed which means that you will continue to bear the risk of any changes in the exchange rate until the actual conversion takes place.

11.3. Unless we have specifically agreed otherwise, for all trades relating to CFD Contracts or Commodity Contracts, we will convert to your Base Currency:

- (a) the realised profit/loss for a trade in an Instrument that is not in your Base Currency on the next Business Day after the trade has been closed;
- (b) any charges in respect of that trade on the next Business Day after such charges are incurred

using our prevailing exchange rate for that purpose.

11.4. Unless we have specifically agreed otherwise, for trades relating to FX Contracts, we will convert to your Base Currency:

- (a) the realised profit/loss where such profit/loss is not denominated in your Base Currency on the next Business Day after your trade has been closed; and
- (b) any charges in respect of that trade on the next Business Day after such charges are incurred

using our prevailing exchange rate for that purpose. Deliverable FX Contracts will be dealt with in accordance with our Deliverable FX Agreement if applicable.

- 11.5. **Deficit.** You must not allow your Available to Trade Balance to move into deficit. It will move into deficit if the sum of your cash balance plus profits on your open trades falls below the sum of the losses on your open trades and the Total Margin Required.
- 11.6. Your Available to Trade Balance may move into deficit at any time, including if:
- (a) you incur unrealised losses on one or more of your open trades;
 - (b) the Margin Factor relevant to one or more of your open trades increases;
 - (c) cash debits are applied to your Account (for example, in respect of realised losses, commission, financing charges or corporate action adjustments); or
 - (d) a foreign exchange rate moves against you.
- 11.7. It is your responsibility to monitor your Available to Trade Balance at all times in order to prevent it from moving into deficit. If you have any working Orders and/or open trades, and you are aware you will not be able to monitor these for any period of time, you may consider paying additional funds into your Account to counter any unfavourable Instrument movement so as to reduce the risk of your Available to Trade Balance moving into deficit.

12 PROFITS/LOSSES

- 12.1. **Calculation.** Upon closing your trade, the profit or loss for that trade will be the difference between the Opening Price and the Closing Price multiplied (a) by the number of contracts traded and (b) by the contract size.
- 12.2. **Account credit.** Your Account will be credited with the difference if your trade is:
- (a) a Sell and the Closing Price of the trade is lower than the Opening Price of the trade; or
 - (b) a Buy and the Closing Price of the trade is higher than the Opening Price of the trade.
- 12.3. **Account debit.** Your Account will be debited with the difference if your trade is:
- (a) a Sell and the Closing Price of the trade is higher than the Opening Price of the trade; or
 - (b) a Buy and the Closing Price of the trade is lower than the Opening Price of the trade.
- 12.4. **Trade partially closed.** If a trade is partially closed, the above provisions shall apply to such part of the trade as may be closed on each occasion.

13 MARGIN REQUIRED

- 13.1. **Calculation.** For us to accept an opening Order from you, your Available to Trade Balance will normally be required to contain sufficient resources to cover the Margin Required. The Margin Required to place an Order

to open a trade is calculated by multiplying the notional value of that trade with the Margin Factor for the relevant Instrument.

- 13.2. While a trade is open, the Margin Required will be calculated as described in Term 13.1 (*Calculation*) above, except that the notional value will be based on the prevailing bid price shown (Buy trades) or ask price shown (Sell trades) on LMAX Exchange to close such a trade. The Margin Required is therefore not a fixed figure and will move in step with the prevailing bid and ask prices shown to close the trade.
- 13.3. If you are working multiple Orders to open new trades in the same Instrument and/or if you have multiple open trades in that Instrument, the Margin Required will be the greater of the Margin Required on:
- (a) your total Orders to open Buys plus your total open Buys in that Instrument; and
 - (b) your total Orders to open Sells plus your total open Sells in that Instrument.

A worked example of how Margin Required is calculated in these circumstances is set out in the Trading Manual.

- 13.4. **Standard Position Size.** The Margin Required for your open trades may increase if you open one or more trades in the same Instrument such that your total trade size is in excess of the published Standard Position Size for that Instrument. Before you place an Order to open a trade that will exceed the Standard Position Size, you should ensure you understand how this will impact your Margin Factor. If you are in any doubt as to how the Margin Factor operates in this circumstance you should telephone us for an explanation.
- 13.5. **Increase in Margin Factor.** We may increase our Margin Factors in relation to one or more of your open trades without notice to you in the following circumstances:
- (a) at any time if you have no open trades or working Orders;
 - (b) if the Margin Factor or its equivalent for our trade is increased;
 - (c) in the circumstances set out in Term 13.4 (*Standard Position Size*) above;
 - (d) if we reasonably anticipate, or if there actually occurs, excessive volatility in the currency of the relevant Instrument;
 - (e) if trading is suspended in the Instrument in which you have an open trade;
 - (f) if we reasonably believe, having regard to all the circumstances applicable to your trading with us (including circumstances where we become aware of adverse changes in your financial position) it is necessary to do so in order to give us an increased level of security against the possibility of losses being realised on the closure of your open trades; or
 - (g) following a Force Majeure Event or any corporate action taken by the issuer of any security referenced in a CFD Contract.

- 13.6. Any increase in a Margin Factor will be effective immediately. Any such increase will apply to existing open trades on your Account as well as to any new trades. We shall notify you of any increase in a Margin Factor by changing the information on our Website as soon as reasonably practicable.
- 13.7. **Decrease in Margin Factor.** We may decrease our Margin Factors in relation to one or more of your open trades without notice to you at any time. We shall notify you of any decrease in a Margin Factor by changing the information on our Website as soon as is reasonably practicable.

14 MARGIN CLOSE OUT LEVEL

- 14.1. **Operation of Margin Close Out Level.** It is an Event of Default under Term 23 (Events of Default) below if your Margin Covered Percentage reaches or falls below your Margin Close Out Level at any given time. In these circumstances, we may, but are not obliged to, exercise our rights to (a) cancel any working Orders; and/or (b) to close any or all of your open trades at any time thereafter without further notice to you. The Trading Manual has worked examples of the operation of the Margin Close Out Level.
- 14.2. **Timing.** It may not be possible to close your open trades immediately. It could take days or even weeks to do so. During this period the value of your open trades could fall further, possibly by a significant sum, and you will be liable for the full amount of the losses that arise which could exceed the amount of funds you have deposited in your Account.
- 14.3. **Requirement to monitor own Account.** We may but are under no obligation to notify you if your Account is approaching or has reached the Margin Close Out Level. The fact that we may have notified you previously is not an indication that we will do so in the future. You should not rely on notifications from us to monitor your Account. This is your sole responsibility.
- 14.4. **Amendments to Margin Close Out Level.** We may amend the Margin Close Out Level applicable to your Account upwards or downwards to a level that we reasonably believe is appropriate having regard to all the circumstances applicable to your trading with us (including circumstances where we become aware of adverse changes to your financial position). Any amendments to the Margin Close Out Level will be notified to you in accordance with Term 19 (Communications and notices) of these Terms of Business and will become effective on your Account after one Business Day following the notification.

15 SUSPENDING OR TERMINATING YOUR ACCOUNT

- 15.1. **Right to suspend your Account.** We may, acting reasonably, suspend your Account at any time and may, at any time and for any reason and without notice, suspend or change the username and/or password of any person authorised to trade on your Account.
- 15.2. If your Account is suspended you will be able to close any existing trades over the telephone during our Helpdesk Hours but will not be permitted to open any new trades on your Account. The circumstances where we may suspend your Account include, but are not limited to:

- (a) when we have not received information within 10 days of a request (or sooner if so reasonably required), when we believe that we require such information in connection with these Terms of Business;
- (b) when we have reason to believe that there has been a breach in your Account security or that there is a threat to your Account security;
- (c) when your trading activity or conduct is such that we believe acting reasonably at all times has or is likely to impair the integrity, functionality, speed or reliability of LMAX Exchange or compromise, impair, restrict or prevent the ability of LMAX Exchange to operate a fair and orderly market; and/or
- (d) where Term 26 (Market Abuse) applies.

15.3. **Right to close your Account.** We may, acting reasonably, close your Account at any time. We shall normally notify you by email and such termination will take effect upon notice being sent to the email address we hold for you. If we elect to close your Account, where possible you will have 14 working days to close any open trades on your Account over the telephone with us during our Helpdesk Hours. During the 14 day period you will not be permitted to open any new trades on your Account. If you have not closed all open trades within the 14 days provided we shall be entitled to close all trades at the best available price on LMAX Exchange or any Liquidity Pool from the next Business Day. The circumstances where we may close your Account include but are not limited to where:

- (a) you repeatedly fail to provide information requested, when we believe that we require such information in connection with these Terms of Business;
- (b) you have persistently acted in an abusive manner toward our staff (for example by performing what we consider to be a serious discourtesy or the use of offensive or insulting language);
- (c) your trading activity is deemed to be disruptive to the operation of LMAX Exchange as described in Term 15.2(c) (Suspending or terminating your Account) and you have failed to correct this behaviour following a notice from us;
- (d) Term 26 (Market Abuse) applies; or
- (e) the information you have provided to us as part of the application process to open your Account is demonstrably untrue; and/or
- (f) in our opinion, your trading is likely to have a negative impact on the quality of the liquidity on LMAX Exchange and, therefore, a potential detrimental effect on the members of LMAX Exchange and their clients.

16 COSTS, CHARGES AND TAXES

- 16.1. The charges we make are set out in this Term 16 (Our charges and taxes). Please familiarise yourself with our costs, charges and taxes before submitting Orders to us.
- 16.2. **Commission.** When you open and close a trade (or if we close a trade in accordance with our rights under these Terms of Business), you will pay us a commission. Our commission rates applicable from time to time are accessible on our Website. If the Website does not contain a commission rate for the Instrument you wish to trade, we shall charge you a fair and reasonable rate of commission based upon our commission rates for comparable Instruments.
- 16.3. The commission rates that we charge are subject to change. We shall give you 14 days' notice of any changes to the commission rates.
- 16.4. We shall debit your Account with the commission payable by you upon your opening or closing a trade as the case may be.
- 16.5. **Introducing brokers.** If your Account was introduced to us by an introducing broker, you acknowledge that we may from time to time share a proportion of the commission we charge you with that introducing broker. This may, but will not necessarily, increase the overall cost of services to you. The details of such arrangements are available from us upon request.
- 16.6. **Financing charges.** Financing charges may apply to your trades. An explanation as to the circumstances when such financing charges may arise, together with worked examples, is set out in the Trading Manual. If applicable, these charges will result in a debit or credit being made to your Account at the time the charge becomes effective. Charges applicable to your account can be seen on the Instrument Information on our Website.
- 16.7. **Negative cash balances.** If the cash balance of your Account is a negative figure, we shall charge you interest on that negative figure at the Default Interest Rate.
- 16.8. **Currency conversion charges.** Our prevailing exchange rate for the purposes of currency conversion will be based upon the wholesale market exchange rate that is applicable on the day that the conversion is made and will include a charge in the spread that will not exceed 0.5% of the wholesale market exchange rate spread.
- 16.9. **Account funding charges.** We may permit you to make a payment to us by direct bank transfer, debit or credit card in your name, subject to our right to levy an administrative charge to reflect our reasonable costs in making this facility available to you.
- 16.10. **Data feed charge.** We reserve the right to levy a reasonable charge to reflect our intellectual property and costs in making real time prices available to you on your Account. Please click on the following URL for details <https://www.lmax.com/global/fee-schedule>

- 16.11. **Connectivity Charge.** We reserve the right to levy a reasonable charge to reflect our costs in providing connectivity to our infrastructure. Please click on the following URL for details <https://www.lmax.com/global/fee-schedule>
- 16.12. **Dormant Account Charge.** We reserve the right to levy a reasonable monthly charge where you have not traded for more than six months but continue to hold funds on your Account. Please click on the following URL for details <https://www.lmax.com/global/fee-schedule>
- 16.13. **Taxes.** You shall be responsible at all times for the payment of all taxes, stamp duties and other similar expenses due as a result of your trading with us. You shall be fully responsible for providing any relevant tax authority with all necessary information in relation to any trades between us and you or that is otherwise requested from you.
- 16.14. We reserve the right to require you to pay us, or to reimburse us for, stamp duty or any other amounts which become payable as a result of any changes in the law which directly affect your trading with us.
- 16.15. You may be subject to other taxes or costs that are not imposed by us or paid through us. The tax treatment of any profits resulting from your trading activity will depend on your individual circumstances. It is your responsibility to ensure the payment of all taxes as they fall due.

17 PAYMENT AND SET-OFF

- 17.1. **Payments:** You must pay to us any negative cash balance on your Account in full to arrive in our bank account (details of which are published on our Website) as follows:
- (a) in respect of any negative cash balance of £10,000 or less (or an equivalent amount in any other currency), by no later than 4.00 pm on the Business Day following the day upon which the negative cash balance arises; or
 - (b) in respect of any negative cash balance of more than £10,000 (or an equivalent amount in any other currency), on the same day or, in the event that the negative cash balance arises after 2 pm, by noon on the next Business Day following the day upon which the negative cash balance arises.
- 17.2. **No cheque or cash.** We do not accept any payment by cheque or cash.
- 17.3. **Source of funds.** We may require you to provide evidence of the source of any funds we receive from you. If we do ask you to provide such evidence, any funds received from you shall be held until appropriate documentation has been received and deemed satisfactory to us. You will not be permitted to trade with non-verified funds until source of funds evidence, satisfactory to us, has been received.
- 17.4. **Set-off.** We may set-off any sums due to us by you against any positive cash balance or digital currency in your Account or an account you hold with any other Associate Company of ours, including and are not limited to LMAX Digital and LMAX New Zealand, or any other sums due to you. If we exercise the right to set-off and this results in an amount due to us, we shall give you notice of this and you shall be required to pay any

amount due in accordance with Term 17.1 (Payments). We may also set-off sums held by us for or to your credit in a joint account against losses incurred by the joint account holder.

- 17.5. **Remittance of cleared funds.** You may request that the whole or part of any cleared funds that form part of your positive cash balance be remitted to you. However, we will be under no obligation to pay any money to you if:
- (a) doing so would move your Available to Trade Balance into deficit;
 - (b) we believe that due to market conditions the cash that you are seeking to withdraw may be required in the immediate future to prevent your Available to Trade Balance moving into deficit;
 - (c) we are reasonably of the view that losses may occur upon the closing of any of your open trades and the cash you are requesting to be paid to you will be required to meet those losses; or
 - (d) doing so would infringe or contravene any legal or regulatory obligation upon us.
- 17.6. On occasions we may request documentation confirming your bank account details and the identity of the account holder in respect of a withdrawal request in order to verify the destination of funds. We will hold such requests until appropriate documentation has been provided and is deemed acceptable.
- 17.7. Subject to our rights of set-off and to withhold payments, money standing to the credit of your Account will be processed by us no later than the second Business Day after the date of a request from you.
- 17.8. **Interest.** You agree to pay interest to us on any sums due to us that you fail to pay when due. Interest will accrue on a daily basis from the due date until the date on which payment is received in full, at the Default Interest Rate.
- 17.9. **Payment by debit or credit card.** Subject to Term 17.3 (Source of funds) above, we shall credit your Account for any sums you pay to us by credit or debit card in your name upon such payment being authorised by your credit or debit card provider. However, we reserve the right to charge you interest at the Default Interest Rate on these sums from the date of authorisation to the date when we receive these sums as cleared funds from your credit or debit card provider.
- 17.10. **Errors.** If we credit or debit a payment to your Account in error, we shall immediately upon discovering the error, reverse any such credit or debit and your Available to Trade Balance will be adjusted accordingly. In the case of an incorrect credit on your Account, if there are insufficient funds on the Account to enable us to recover the incorrect credit we may:
- (a) cancel any or all of your working Orders; and/or
 - (b) take steps to close any or all of your open trades to free up the necessary cash to enable us to recover the incorrect credit.

We may also take steps to recover the sum due to us and until such time as the sum has been paid refuse to accept future Orders from you.

18 TREATMENT OF YOUR MONEY

18.1. This Term 18 shall apply to Professional Clients and Eligible Counterparties only. The terms which apply to the treatment of money we receive from Retail Clients are found in Schedule 2 (*Retail Client Terms*).

18.2. **Approved Bank.** We will deposit money received from you with an Approved Bank.

18.3. **Title Transfer Collateral Arrangement.** As you have been categorised as a Professional Client or an Eligible Counterparty, elective, per se or otherwise, you agree that any money that:

- (a) you transfer or have transferred to us; or
- (b) which is transferred to us on your behalf by way of margin or otherwise,

unless otherwise agreed, will be subject to Title Transfer Collateral Arrangement (TTCA) and the full ownership of which shall be treated as having transferred by you to us for the purpose of securing or covering your present, future, actual, contingent or prospective obligations. Accordingly, where you pay such money to us, **we will acquire full ownership of it and we will not hold such money in accordance with the Client Money Rules.** Your money will not be segregated from ours, the statutory trust provided for under the Client Money Rules will not apply, and we will not have to account to you for any use we make of the money. You will not have any interest in or proprietary claim over such money transferred to us pursuant to this Term 18.3 (*Title Transfer Collateral Arrangement*) and we can deal with it as our own. In the event of our insolvency you rank as a general creditor of ours in relation to such money.

18.4. **Client Money Rules.** Notwithstanding your categorisation as a Professional Client, where you have agreed to opt out of TTCA, Term 18.3 (*Title Transfer Collateral Arrangement*) will not apply to you and we will treat money received from you or held by us on your behalf in accordance with the Client Money Rules.

18.5. **Overseas banks.** Where you have opted out of TTCA, we may hold client money on your behalf in a client bank account located outside the United Kingdom unless you have notified us in writing to the contrary. The legal and regulatory regime applying to any such bank may be different from that of the United Kingdom and in the event of the insolvency or any other equivalent failure of that bank, your money may be treated differently from the treatment which would apply if the money was held with a bank in an account in the United Kingdom. We will not be liable for the solvency, acts or omissions of any such bank.

18.6. **Payments.** Any monies sent by you to us by debit or credit card will be transmitted through a regulated payment service provider. Accordingly, any online payment by you will result in your funds being transferred first to the payment service provider and subsequently to us. Where you have opted out of TTCA,

18.7. **Margin.** You acknowledge and confirm that we may transfer any amounts transferred to us by you or credited to your Account to any clearing house, bank or broker for the purpose of meeting any obligation to provide

any initial margin and intraday margin to such clearing house, bank or broker, in relation to our back to back trade with them.

- 18.8. **Settlements.** We may debit any amounts credited to your Account to settle any mark-to-market losses on daily settlement or close-out of your trades with us, financing charges or any fees outstanding in relation to such trades, whether or not such sums are required to be paid to a clearing house or prime broker. Where you have opted out of TTCA, you acknowledge and confirm that any such debited amounts will cease to be client money under the Client Money Rules and you will have no rights, title or interest in any such amounts.
- 18.9. **Interest.** We shall not pay interest to you on any of your money that we hold and by entering into these Terms of Business you acknowledge that you are therefore waiving any entitlement you may have to interest under the Client Money Rules or otherwise.
- 18.10. **Fixed Term Deposits.** This Term 18.10 will only apply to you if you have opted out of TTCA. Where we consider it appropriate to do so, we may from time to time, hold a proportion of the total Client Money that we hold in an account from which we may be unable to make a withdrawal until the expiry of a fixed term or notice period lasting up to 95 days. We will take appropriate measures, including to set out the maximum portion of Client Money we can hold in such an account having regard to managing the risk of being unable to access client money when required, to allow us to return Client Money to our clients promptly as and when required to do so in the ordinary course of business. However, there may be exceptional circumstances where we may not be able to return some or all of the Client Money that we hold for you until the expiry of the fixed term or notice period applicable to the said account.
- 18.11. **Limitation period.** Where you have opted out of TTCA, you agree that in the event that there has been no movement on your Account balance for a period of at least six years (notwithstanding any payments or receipts of charges, interest or similar items), and we are unable to trace you despite having taken reasonable steps to do so, we may cease to treat your money as client money and accordingly release any client money balances from the segregated account. In such circumstances, we or an Associated Company, will unconditionally undertake to pay you a sum equal to the relevant client money balance paid away in the event that you seek to claim the client money balance in future.
- 18.12. **Transfer of Client Money.** Where you have opted out of TTCA, you agree that we may in accordance with applicable laws or regulations transfer your client money to an Associated Company or another firm regulated by the FCA who will hold the client money in accordance with the Client Money Rules or return your money if you so request.

19.8. You must communicate with us by email sent to the email address currently designated by us for that particular purpose, by telephone or in person. Any such communication will only be deemed to have been received by us upon our actual receipt thereof.

19.9. You authorise us to rely and act on, and treat as fully authorised and binding on you, any communication (whether or not in writing) that we reasonably believe to have been transmitted by you or on your behalf.

19.10. **Limitation of liability.** If at any time you are unable, for whatever reason, to communicate with us, we do not receive any communication sent by you, or you do not receive any communication properly sent by us under these Terms of Business, neither we nor any Related Person will:

- (a) be responsible for any loss, damage or cost caused to you by any act, error, delay or omission resulting therefrom where such loss, damage or cost is a result of your inability to open a trade; and
- (b) except where your inability to communicate with us results from our fraud, wilful default or negligence, be responsible for any loss, damage or cost caused to you by any act, error, omission or delay resulting therefrom including without limitation, where such loss, damage or cost is a result of your inability to close a trade.

19.11. **Recording of telephone conversations.** You agree that we may record our telephone conversations with you. We may record telephone conversations without use of a warning tone to ensure that the material terms

of any Order or trade, and any other material information relating to the Order or trade is promptly and accurately recorded. Such records will be our sole property and you accept that they will constitute evidence of the communications made. A copy of the recording will be available on request for a period of five years and, where requested by the FCA or other relevant regulatory authority, for a period of up to seven years.

A claim form served upon you by email pursuant to this Term 19.14 (Claim forms) will be deemed to have been served upon you on the date of sending the email. We may, however, choose to serve the claim form upon you by any alternative method permitted by law.

MT4 Server means a third party hardware managed by us, which processes and transmits all market data and trades between the MT4 Client Terminal and LMAX Exchange.

MT4 Trading Manual means the trading manual that provides more information and worked examples on our trading services when using the MT4 software trading tool to trade.

Third Party Equipment means the MT4 Client Terminal, the MT4 Server, any other hardware, software and/or customised interface which enable or are linked to your MT4 Account.

Total Margin Required for MT4 trades, means just the margin required for your open trades and does not include any margin for working Orders as for trades executed other than through MT4.

2 TRADING MANUAL

All references in the Agreement to the Trading Manual shall, for MT4 trades, be read as if they were references to the **MT4 Trading Manual**.

3 PRICES

Where we have filled your Order by executing a number of trades, the MT4 Server will report a weighted average fill price for the opening or closing trade on your MT4 Account.

4 ORDERS

4.1. **How to submit an Order.** The first paragraph of Term 7.1 of the Terms of Business does not apply to MT4 trades. You may submit an Order for a MT4 trade:

- (a) online via the MT4 Client Terminal; or
- (b) via other MT4 Software Trading Tools (such as MT4 supported mobile applications); or
- (c) by speaking to us on the telephone during our Helpdesk Hours.

4.2. **Acknowledging receipt.** Term 7.3 of the Terms of Business does not apply to MT4 trades. We shall acknowledge receipt of each Order we receive and accept from you via the MT4 Server. This will show on the MT4 Client Terminal.

4.3. **Trading Hours.** If we receive an Order from the MT4 Server outside of Trading Hours, that Order will be rejected. Trading Hours for each Instrument that we offer to trade can be found in the MT4 Trading Manual.

4.4. **Position and Size Limits.** In addition to our discretion to set a Maximum Position Size, we may in our absolute discretion set Maximum Trade Sizes for your MT4 Account.

4.5. **Order routing.**

- (a) When trading via the MT4 Client Terminal, all Orders submitted by you are immediately sent to the MT4 Server. If you submit a Market Order, then upon receipt of your Order, the MT4 Server transmits the Order request to LMAX Exchange as a Market Order.
- (b) If the Order is sent as a working Order, then after receiving your Order, the MT4 Server will wait until such time that the Order is triggered and submit the Order request to LMAX Exchange as a Market

Order. If you choose to cancel a working Order prior to it being filled, it will be deleted from the MT4 Server.

5 TRADING

- 5.1. **Gross positions.** Term 8.3 of the Terms of Business does not apply to MT4 trades. If and to the extent you submit an Order to buy or sell a specific Instrument and you already have an open trade in the same size and Instrument, and you have no other trades open at the time, both buy and sell MT4 trades will stay open and, although you will continue to have an exposure to price movement on both legs, you will have a hedged position. The margin on your MT4 Account will be zero. If, however, the size of the subsequent Order to buy or sell a specific Instrument is less than or exceeds the size of the original Order, a partly hedged position will be created on your MT4 Account. The margin on your MT4 Account will reflect the part of the trade that is not hedged.
- 5.2. **Closing MT4 trades.** In order to close an open trade on your MT4 Account, you will need to select and individually close each of the trades that have been originally opened on your MT4 Account. The Orders to close the trades will be sent to the MT4 Server in the order you chose to close them. The MT4 Server will send these Orders to LMAX Exchange. Failure to select an open trade to close may result in a hedged position being created on your MT4 Account.

6 AVAILABLE TO TRADE BALANCE

- 6.1. All references in the Terms of Business to **Available to Trade Balance** shall, for the MT4 Platform, be read as if they were references to **Available Margin Balance** or **Free Margin**.
- 6.2. **Deficit.** You must not allow your Available Margin Balance to move into deficit. It will move into deficit if the sum of your cash balance plus profits on your open trades falls below the sum of the losses on your open trades and the Total Margin Required.
- 6.3. Your Available Margin Balance may move into deficit at any time, including if:
- (a) you incur unrealised losses on one or more of your open trades;
 - (b) the Margin Factor relevant to one or more of your open trades increases;
 - (c) cash debits are applied to your MT4 Account (for example, in respect of realised losses, commission, financing charges or corporate action adjustments).
- 6.4. It is your responsibility to monitor your Available Margin Balance at all times in order to prevent it from moving into deficit. You may monitor your Available Margin Balance online through the MT4 Client Terminal. If you have any working Orders and/or open trades, and you are aware you will not have access to your MT4 Account for any period of time, you may consider paying additional funds into your MT4 Account to counter any unfavourable Instrument movement so as to reduce the risk of your Available Margin Balance moving into deficit.

7 MARGIN REQUIRED

- 7.1. **Calculation.** Whilst a trade is open, the Margin Requirement will be calculated by multiplying (a) the number of contracts requested (b) by the contract size (c) by the Opening Price (d) by the Margin Factor for the Instrument. Unless the Margin Factor changes, the Margin Requirement remains fixed throughout the life of each individual trade. Where you have a partly hedged open position the Margin Requirement will be based on the residual unhedged position.
- 7.2. **Increase in Margin Factor.** We may increase our Margin Factors in relation to one or more of your open trades without notice to you in any of the circumstances set out in Term 13.5 above

8 MARGIN CLOSE OUT LEVEL

If your Margin Covered Percentage reaches or falls below your Margin Close Out Level we may but are not obliged to exercise our rights to close any or all of your open trades at any time thereafter without further notice to you. The MT4 Trading Manual has worked examples of the operation of the Margin Close Out Level.

9 YOUR ACCOUNT

- 9.1. **Our Terms of Business regarding:**

- (a) username, password and other security information (Term 5.1);
- (b) monitoring (Term 7.8); and
- (c) the binding nature of trades (Term 8.5);

apply also to your MT4 Account and references to your Account shall include your MT4 Account.

- 9.2. **Base Currency.** Terms 11.2 to 11.4 of the Terms of Business shall not apply to MT4 trades. Instead the following provisions shall apply:

- (a) Where you open a trade in an Instrument that is not in your Base Currency, we shall during Trading Hours notionally convert the open profit/loss for that trade to your Base Currency using our prevailing exchange rate for that purpose. Your Available Margin Balance and its components will therefore be valued in your Base Currency at all times during Trading Hours. The value of your trade is being converted into your Base Currency at our prevailing exchange rate for that purpose.
- (b) For all trades, we will convert any of the following at our prevailing exchange rate for that purpose:
 - (i) realised profit/loss where such profit/loss is not denominated in your Base Currency;
 - (ii) any commission charges in respect of that trade; and
 - (iii) any financing charges in respect of that trade.

10 SUSPENDING YOUR MT4 ACCOUNT.

Terms 15.1 to 15.2 of the Terms of Business shall not apply to MT4 trades. Instead the following provisions shall apply:

Right to suspend your MT4 Account. We may acting reasonably suspend your MT4 Account at any time and for any reason and without notice, suspend or change the username and/or password of any person authorised to trade on your MT4 Account. If your MT4 Account is suspended you will be able to close any existing trades over the telephone during our Helpdesk Hours but will not be permitted to open any new trades on your MT4 Account. The circumstances where we may suspend your MT4 Account include but are not limited to:

- (a) when we have not received information within 10 days of a request (or sooner if so reasonably required), which we believe that we require in connection with these Terms of Business;
- (b) when we have reason to believe that there has been a breach in your MT4 Account security or that there is a threat to your MT4 Account security;
- (c) when your trading activity or conduct is such that we believe acting reasonably at all times has or is likely to impair the integrity, functionality, speed or reliability of LMAX Exchange or compromise, impair, restrict or prevent the ability of LMAX Exchange to operate a fair and orderly market;
- (d) when your trading activity or conduct is such that we believe acting reasonably at all times has or is likely to impair the integrity, functionality, speed or reliability of the MT4 Client Terminal and/or MT4 Server; and/or
- (e) where Term 26 (Market Abuse) applies.

11 OUR CHARGES AND TAXES

Unrealised commission for MT4 trades will be shown on your open trade as a total amount for both opening and closing legs of the trade. The commission will be realised and taken from your MT4 Account balance after the trade is closed.

12 COMMUNICATIONS AND NOTICES

- 12.1. **Daily statement.** Rather than contract notes, on each Business Day, we will send you a Daily Statement for that Business Day, to you by email usually at the end of that day. The absence of a Daily Statement does not affect the validity of any trade. Please check your Daily Statements. If you believe that any of the details of your Daily Statements are inaccurate you should contact us immediately and in any event within 24 hours of the trade. We reserve the right to make a reasonable charge for a Daily Statement requested to be sent to you in paper form. **We strongly recommend that you print your Daily Statements and retain them as part of your records.**

- 12.2. **Confirmation on MT4 Account.** As soon as we have filled your Order and entered into a trade with you, a confirmation of the executed trade will show on your MT4 Account.

13 **SUSPENSION**

Term 28.1 of the Terms of Business shall not apply to MT4 trades. Instead the following shall apply:

Calculation of Margin Required. If at any time trading on LMAX Exchange is suspended in any Instrument in which you have an open trade, you will not be able to close that trade on LMAX Exchange via your MT4 Account and the valuation of your Margin Required for the open trade will stay the same as at the time the trade was opened.

14 **THIRD PARTY EQUIPMENT - LIABILITY AND INDEMNITY**

- 14.1. We are not responsible for ensuring compatibility with any Third Party Equipment. Neither we nor any Related Person will have any liability to you or any other person for any direct or indirect loss, liability, cost, claim, expense or damage of any kind, whether in contract or in tort, including negligence, or otherwise, arising out of or related to your use of any Third Party Equipment.
- 14.2. You accept and acknowledge that when you are using any Third Party Equipment you must comply at all times with all applicable laws or regulations. In the event you fail to comply with any such applicable laws or regulations which may affect a Third Party Equipment provider, you shall indemnify them for any losses, damages, expenses or cost such Third Party Equipment provider would have incurred as a result of your actions or omission.

SCHEDULE 2 - RETAIL CLIENT TERMS

- 1.3 **Overseas banks.** Unless you have notified us in writing to the contrary, we may hold client money on your behalf in a client bank account located outside [the United Kingdom. The legal and regulatory regime applying to any such bank may be different from that of the United Kingdom and in the event of the insolvency or any other equivalent failure of that bank, your money may be treated differently from the treatment which would apply if the money was held with a bank in an account in the United Kingdom. We will take appropriate measures, including to set out the maximum portion of Client Money we can hold in such an account having regard to managing the risk of being unable to access client money when required, to allow us to return Client Money to our clients promptly as and when required to do so in the ordinary course of business. - 1.8 **Limitation period.** You agree that, in the event that there has been no movement on your Account balance for a period of at least six years (notwithstanding any payments or receipts of charges, interest or similar items) and we are unable to trace you despite having taken reasonable steps to do so, we may cease to treat your money as client money and accordingly release any client money balances from the segregated account. In such circumstances, we or an Associated Company, will unconditionally undertake to pay you a sum equal to the relevant client money balance paid away in the event that you seek to claim the client money balance in future.
- 1.9 **Transfer of Client Money.** You agree that we may in accordance with applicable laws or regulations transfer your client money to an Associated Company or another firm regulated by the FCA who will hold the client money in accordance with the Client Money Rules or return your money if you so request.
